## THE NEW M. E. CHURCH.

The following verses were composed and written by Mr. T. P. Pigg, formerly editor of the Farmington News, as a compliment to the pastor, members and friends of the M. E. Church of Farmington, and were read to the congregation in that church by the pastor, Rev. W. R. McCormick, after services on Sunday, January 28th, 1906. The words have since been set to music:

I went up Columbia street and there I stood alone,  
To view the new M. E. Church built out of solid stone;  
I thought of all the Christians who often meet therein,  
I thought of God with power to pardon mortal sin.

**CHORUS.**  
God help this noble cause along, and  
bless these Christians in their fight.  
Praise God with prayer and with song,  
and be this church a guiding light.

In this grand and noble structure, built so strong and sound,  
Can a more convincing proof of love for God be found?  
The noble Christian workers who furnished all that cash,  
Will find through all future time that their action wasn't rash.

Hauling sand, laying stone, the carrying of the load,  
Had nothing else behind it but the pure love of God;  
And many a weary soul therein will find repose,  
And the good that church shall do, 'tis only God who knows.

Love for God, an honest heart—if you do such possess—  
It will in all your life make one earthly joy less;  
So when you come to church, even though you come alone,  
Don't rush to leave the house the minute the sermon's done.

When you hear the benediction then your neighbor seek,  
Speak a few kind words to him, 'twill help him all the week;  
Many hearts are heavy and in a measure broken,  
You may make these hearts glad by few words kindly spoken.

And God bless the pastor and the noble work he's done,  
God bless the members of that church, bless them every one;  
Their work is good, their hearts are right, keep them pure and brave,  
Give them a crown of life when they pass beyond the grave.

## Iron Township Road Appropriations.

BISMARCK, Mo., Feb. 13.  
Editor Farmington Times:  
We notice in the last issue of THE TIMES that Mr. T. T. Tullock, supervisor of roads, presented his settlement of expenditures of appropriations on roads in Iron township, which was approved. Inasmuch as it has been reported that there was between two hundred and three hundred dollars of said fund unexpended by Mr. Tullock, with your permission we respectfully ask the County Court through THE TIMES to publish in said paper an itemized statement of the expenditures of said fund, and if there was a balance what disposition they have made of it.

T. B. WHITWORTH and others.  
[On the minutes from which we made our report the balances were not set forth, but appear in the supervisors' reports which are on file. The balance left of the appropriations for the roads of which Mr. T. T. Tullock was supervisor was \$198.55, and the balance left of the appropriation for the roads of which Judge C. T. Tullock was supervisor was \$141.67, a total of \$340.22. Both balances, County Clerk Lawrence informs us, will be available for improvement of the same roads for the current year. Following are the itemized expenditures.—EDITOR TIMES.]

## Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came to a conclusion that I had heart disease. He said to me, "I give up. Write to Dr. Miles, of St. Louis, and ask him to send you a bottle of his Heart Cure." I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me.
